"Before you delete this Email I suggest you read it very carefully. Wow!!!

Hello,

That's Right... \$40,000 dollars in your AlertPay account and that's NO BULL!!! IT WAS PROVEN ON OPRAH and is COMPLETELY LEGAL!!!

You may have heard of this program (or one like it) on 20/20 or even in the Wall Street Journal. \$10 Dollars... that's all it takes. I'll try to keep it short and sweet.

To get started just right mouse click and copy this whole page and paste it in an e-mail to edit it. Simply follow the instructions below and in 2 to 3 weeks, you will have as much as \$40,000 dollars in your AlertPay account or even more.

Most people respond to this program because of the low investment (\$10 dollars) and high profit potential. There is no limit to the income you can generate from this (you can do it over and over). If you follow the instructions, you will reach thousands of people! Honesty, Faith, and Integrity make this system work.

I think everyone has heard of AlertPay. Anyone with an e-mail address can join for F*R*E*E*! If you're not already an AlertPay user, the first thing you need to do is sign up. Just click the link below! It's really easy to set up and it's F*R*E*E*!!!

Just make sure you sign up for a Personal Pro or a Business Account or you may be subject to a monthly income limitation which may slow this program down for you. You also get upto \$10 dollars for referring people. Be sure to click on this link to sign up:

Just click on "Sign Up" located at the top of the page. Then follow their simple directions.

TEAM WORK MAKES THIS DREAM WORK! LET'S GET STARTED

Send a \$5.00 dollar donation from your AlertPay account to THE FIRST e-mail address on the list along with a note saying "Please add me to your list." Now send the other \$5.00 donation and an e-mail to the (5th) FIFTH e-mail address on the list saying "Thanks. I've joined." Remove the 1st e-mail address and place your address at the bottom. This moves the 2nd to 1st, 3rd to 2nd, 4th to 3rd, and the 5th place into 4th.

DO NOT TRY TO PLACE YOURSELF IN THE FIRST PLACE. IT WILL ONLY REACH THE PEOPLE YOU SEND IT TO, AND THEN YOUR NAME WILL BE REMOVED FROM THE LIST!

If you do this the way it was designed, it will reach thousands by the time your name gets to the top. REMEMBER TO SEND a \$5.00 dollar donation to the 1st e-mail address and the message "PLEASE ADD ME TO YOUR LIST", and send an email with the words "THANKS. I'VE JOINED" and the other \$5.00 donation to the 5th person. This helps the 5th person keeps track of progress of the letter and continue to send out more emails. Here is the list:

Distribution E-mail Addresses

1. financialed@gmail.com
2. easyincomelinks@hotmail.com
3. troy.arthur.1969@gmail.com
4. davidlockton@yahoo.co.uk
5. shirleyann_pal@yahoo.com

(Make sure it's the same e-mail address that you used to open your AlertPay account. This is the way you will receive payment)

Now that you have paid the 1st person and 5th person and sent them both an email, a note, and placed your e-mail address in the 5th place, the only thing left to do is to mail out at least 20 copies of this letter. It is your job as the 5th person on the list to ensure there are at least 20 "thank you I've joined" replies. The fifth person is the guardian of the system! If there are not at least 20 replies then the fifth person will keep sending the letter until there is.

MAKE SURE YOU SEND \$5 DOLLARS TO THE FIRST PERSON TO THANK THEM FOR WHEN THEY WERE THE GUARDIAN OF THE LETTER and \$5 DOLLARS TO THE FIFTH PERSON SO MORE EMAILS CONTINUE TO GO OUT! You will receive gratis – thanks AND THE SAME BLESSING.

When your name is on the 1st slot, 8,000 to 15,000 people will send you 5 dollars! Keep in mind... the most you spent is \$10 DOLLARS! (Remember... what goes around comes around)

TESTIMONIAL:

Mary Gatters, Columbus, SC:

I only have one thing to say to you... OH MY GOD! I sent out 142 copies total before 20 replied, like the instructions said. Then I went on a short vacation. When I got back my account had over \$32,000 dollars in it already and the money was still coming! I'm still floating on air (especially with my new car). I thought the guardian system sounded cheesy, but now I realize it is the formula that makes this letter really work! THANKS!

Your going to love it
